

## PRACTICAL POLAROGRAPHY COURSE

Institute of Polarography, Czechoslovakian Academy of Sciences  
Translated from *Zavodskaya Laboratoriya*, Vol. 29, No. 5,  
p. 637, May, 1963

The Department of Physical Chemistry, Charles University, and the Institute of Polarography, Czechoslovakian Academy of Sciences, offer a course in polarography which will be held from July 15 to July 27, 1963.

The course will consist of lectures on the fundamentals of polarography and practical work. It is intended for post-graduate students. The lectures will be held in the Russian, English, and German languages.

The enrollment is restricted to 20 persons. This course has been organized under the direction of Prof. Dr. Ya. Geirovskii, while the lectures and practical work will be conducted by experienced specialists from the Charles University and the Institute of Polarography.

The course will be held at the Department of Physical Chemistry, Charles University, 2030 Albertov, Prague 2. The candidates should send their application to this address.
